President: *Bronwyn Schoegel*

NGC, INC. CONTINUING PROJECT

PLANT IT PINK

"Plant It Pink" is a continuing project which recognizes that virtually all of us have been touched in some way by breast cancer.

During the month of October, 2011

OLDE RIPTON GARDEN CLUB

celebrated breast cancer awareness

in a garden therapy program with residents

at Crosby Commons

who planted pink amaryllis.

The containers were decorated with pink bows,

and the containers around the bulb
were

filled with pink flowers and greens.
